- Powerful motor provides smooth quiet ride | Easy to store when not in use | Intuitive controls allow adjustments as needed | Bright backlit 6.5" LCD | Toggle switch | Heavy-duty steel construction lasts for life | Bluetooth heart rate monitor | Bluetooth speaker

The F63 treadmill has been reviewed as 11 Simply the best quality treadmill in its price range and an unbelievable value" by numerous consumer resources and magazines. SOLE has earned a reputation for building quality treadmills using the best components and the F63 is no exception, even at its lower price point. The strong, 3.0 HP motor delivers challenging speeds up to 20 km/h and inclines up to 15 levels, and can run up to ten programs including targeted cardio training and fat burning programs.

An economic tread 1 mill that doesn't sacrifice on quality, SOLE's F60 certainly packs a punch, and is the perfect platform for any cardio lover. Features heart rate control, a large running surface, cushion flex suspension system and space-saving folding design.
